

## Thank you!

Our sincere thanks go to our many individual and corporate donors – including those who prefer to remain anonymous – who make it possible for us to support excellence at the Stollery Children's Hospital for families from backyards in Alberta and beyond. Together, we are making our vision a reality; together, we can give the sickest kids the best chance, anywhere in the world, to live a long and healthy life. This list recognizes donations of \$1,000 or more received between April 1, 2017 and March 31, 2018.
