

## Thank you!

Our sincere thanks go to our many individual and corporate donors – including those who prefer to remain anonymous – who make it possible for us to advance specialized physical and mental health care at the Stollery Children's Hospital and beyond its walls. Together, we can give all kids the best chance to live a long and healthy life. This list recognizes donations of \$1,000 or more received between April 1, 2019 and March 31, 2020.
