Stollery No Bounds Launch Circle

A defining group.
A transformational beginning.

The Stollery No Bounds Campaign is a once-in-a-generation opportunity to transform children's health care, strengthening the care kids rely on today while building the stand-alone Stollery Children's Hospital for tomorrow.

To help bring this vision to life, we are inviting a select group of visionary donors to become members of our **Launch Circle**, those whose early leadership gifts help set the momentum for what comes next.

Launch Circle members are among the first to step forward with transformational support, inspiring others to follow and helping accelerate progress toward building a new stand-alone Stollery Children's Hospital that kids deserve while also supporting the needs of today at the existing Stollery.

Together, we can help ensure there are No Bounds to what's possible for Stollery kids.

What is the Launch Circle?

The Launch Circle recognizes donors who make a No Bounds gift of **\$1M or more before March 31, 2028.**

AS A LAUNCH CIRCLE MEMBER, YOUR EARLY INVESTMENT WILL:

- Inspire additional transformational gifts
- Accelerate campaign momentum
- Strengthen care for kids today
- Help build the stand-alone Stollery Children's Hospital
- Create lasting impact for generations of families

Your leadership at this pivotal moment helps define what's possible today and tomorrow.
