STOLLERY CHILDREN'S HOSPITAL FOUNDATION

Spread the word about the Stollery's world-class care

Are you looking for a meaningful way to give back or an opportunity to say thank you? The Stollery Story Squad might be just what you've been waiting for!

Share your story

Through our Stollery Story Squad, we give grateful families the opportunity to share their Stollery story, say thank you and spread the word about the amazing work being done at the Hospital.

By sharing your Stollery experience, you'll play an integral role in our fundraising efforts. Your story has the power to inspire community and corporate support that funds specialized equipment, programs, training and research so that Stollery kids from backyards across Western Canada get the best chance at a long and healthy life.

How you can help

We have many ways for Squad members to get involved, from speaking at our events and sharing your story on our website or in our *HEROES* magazine, to doing media interviews and riding our float. There's no obligation or mandatory time commitment – simply the desire to spread the word about our world-class Hospital.

Foundation events

We invite Squad members to get involved at Foundation events throughout the year, whether through speaking opportunities, volunteer opportunities or simply attending as a guest. Below are a few of our signature fundraising events and initiatives:

Community events

We're very fortunate to have dedicated groups of corporate and community members who fundraise in support of the Stollery. We invite Squad members to share their story, attend or speak at meetings, or simply say thank you to our supporters.

Storytelling

Squad members share their stories in many different ways, from print publications (like our *HEROES* magazine) and media opportunities, to being highlighted in a fundraising campaign or initiative. Some Squad members are featured on our website and we encourage all Stollery families to share their story on social media using #StolleryBackyard.
